

### REMARKS

In the Notice to File Missing Parts, the applicants were given two months from the mailing date to comply with the sequence listing rules. In response, a paper copy and a computer readable form of the sequence listing are enclosed. Further enclosed is a statement under 37 CFR 1.821(f) and (g).

The enclosed paper copy of the sequence listing updates the existing paper copy of the sequence listing in the application with priority information and new attorney reference number. The replacement Fig. 3 enclosed incorporates sequence identification numbers for the amino acid sequences.

No fee is believed to be due in connection with this response. However, if a fee is due, please charge the fee to Deposit Account Number 17-0055.

Respectfully submitted,

Kirk J. Hogan, et al.
